Spatial Signage SMHX series

3D Showcase – Bring your brand to life

Delivers immersive realism through display innovation. Samsung's Spatial Signage transforms ordinary content into striking 3D visuals that capture attention. Powered by Samsung's 3D plate technology, it adds depth and dimension to any scenes—without special glasses or separately created 3D content. The result is a vivid and engaging visual experience that feels closer to reality.

Beyond its visual performance, Spatial Signage is designed for ease and flexibility. The slim 52mm profile works seamlessly with a slim-fit wall mount, offering clean, space-saving installation in various environment. Samsung VXT with True 3D Enhancer lets businesses easily manage content, adjust 3D effects, and monitor devices remotely.

Key features

Virtual 3D Display

Powered by Samsung's 3D plate technology, this display goes beyond your 2D content—bringing it to life in 3D, face-to-face with your audience. Vivid details feel almost within reach, making every moment unforgettable.

UltraThin Design

Delivering 3D visuals in a 52mm slim profile, Spatial Signage installs as easily as standard signage. Compatible with a slim-fit wall mount, it ensures neat, space-saving installation that blends naturally into various environment—making 3D display integration straightforward and seamless.

* Slim Fit Wall Mount must be purchased separately.

True 3D Enhancer

Maximizes the 3D effect for greater impact. Samsung's enhancement solution adds subtle shadow effects to enhance depth perception, making 3D visuals more vivid and impactful.

* VXT must be purchased separately and the feature's availability may vary by region.

Samsung VXT

The cloud-based Samsung VXT brings together content management and remote device management capabilities. Remotely manage hardware settings and troubleshoot issues while creating and deploying content effortlessly with no previous training needed.

* VXT must be purchased separately and the feature's availability may vary by region.

* Actual UI may differ and is subject to change without notice.
